THE ORB by SI30

A round display for your desk. It shows an estimate of your Claude Code and Codex usage, a focus timer you can watch drain, and your next meeting.

Designed and assembled in Brisbane. It ships within 4 weeks of the order, then usually takes about a week by Australia Post.

Needs a Mac or a Windows PC. Setup guide: si30.com.au/orb/setup. The download link for the companion goes by email to whoever ordered it, when it ships.

THE ORB is made by SI30 Pty Ltd, ABN 48 702 847 149. It isn't affiliated with or endorsed by Anthropic or OpenAI. Picture: a render of the batch unit.
